Bereits zum S.Nele sind wir hier in des "Villa Astra". Die wunderschöne Lege, die ? Atmosphäre, vor allem des so freundliche Personal, welches aufesst bemüht ist, unsere Wunsche zu füllen - zieht uns immer wieder nach Lovran. Auch die her vor ragende Küche von Boris ist für uns ein genz wichtiges Punkt, denn regionale Küche in bestes Qualität lieben wir besonders! Wir segen "HVALA LIJEPO" en alle.

Villa Astra is a unique place and a unique experience, even for a seasoned traveller! Overlooking the Adriatic sea is breathtaking, it's quaint gardens well kept, and all the staff is professional, always friendly with no requests for a guest too big to be accommodated. To try it all, the chef Mr. Boris is a legend whose cooking expertise can be measured with that of Paul Breuse from France. He is always friendly and willing to advise one on the best choices of local and international dishes, which he expertly prepares. We are happy to have visited here and we shall return, hopefully soon! Wishing the establishment all the possible success, luck and happiness for the future.

Sincerely, Prof. Robert Karl Gramelli
