What a wonderfu place. Sitting on the deck, ovelooking the ocean – perfect way to start and end the day. We really appreciated the breakfast fixings in the fridge. Many great meals on the patios along the beach and a fun day of shopping in Opatija. We'll definitely plan another trip to this area.

Bilo je ludo! Još ne vjerujem da smo usred 10. mjeseca doručkovali vani! Svaka čast onom tko je dekorirao vilu! Hvala za dobar provod!

Lijepo je od Boga, što nas je upoznao s Vama. Vaše riječi i dobrodošlica koju osjećamo, mnogo nam znače. Jedino je šteta našeg kratkog boravka. Ali...dobra energija, mir sunčanih zraka i Vi, zovu nas da se vratimo uživati u svim blagodatima.
Od srca zahvaljujemo na ovim osjećajima.

We highly appreciated this wonderful villa with its special atmosphere. Never imagined that one could rent a villa with Feng shui interior!
Our compliments for what you have created here. We have had a wonderful stay and enjoyed the city, the sea and the people

Villa Astra i ostali apartmani pravo su osvježenje za hrvatski turizam. Veliki kompliment za stil, kvalitetu usluga. Sigurno ćemo ponovo biti Vaši gosti.

Apartman Adela uređen je sa mnogo stila i pravi je užitek odmoriti dušu i tijelo u ovakvom objektu kao i u Villi Astra. Drago mi je da Hrvatska kroz ovakve obiteljske hotele stvara prepoznatljivost toliko potrebnu našem turizmu.

Hvala još jednom.

Croatia is the most wonderful country with fantastic people, food, wine and scenery. We loved every minute.

The comfort of this apartment was out standing – we could not have asked for more.

Thank you.

We only had a short stay here, but how lovely to feel like we had our very own villa. Breakfast on the balcony overlooking the garden and the sea, walks along the promenade and meals around the

kitchen table. We enjoyed pre-dinner cocktails in the little pizza (very reasonably priced!). Everything about our stay here was enjoyable and we will return if we come back to Croatia again.

Dragi Vjeko,

U ovom prelijepom apartmanu boravimo već po drugi puta, no svaki puta smo ispunjeni zadovoljstvom i mirom. Ovdje je zaista odmor za „dušu i tijelo“. Upravo to je potrebno današnjem čovjeku koji živi u suludom ritmu. Supruga Dragica i ja divimo se tvojim ostvarenjima, a zaista smo zadivljeni uređenjem Oraja kojeg si nam lijepo i ugodno predstavio.

Proputovao sam moglo bi se reći kroz cijeli svijet, no takav pristup odmoru još nisam doživio. Sve ove naše impresije dolaze iz srca u želji da i u tebi potvrde vjeru i spoznaju da si na pravom putu i da tako trebaš nastaviti.

U odmorenom tijelu i ispunjenoj duši napuštamo Lovran sa željom da opet dođemo.

Puno hvala!

Die Villen liegen wunderschön am Meer. In diesen herrlich allen Villen, die sehr geschmackvoll eingerichtet sind, genossen wir diese Landschaft am Wasser.

Vielen dank an Alma und Natasha, die halfen, vor allem durch ihre freundlich Art und ihr Eifer, den Urlaub bis ins Detail gelungen zu machen; wir fühlten uns sehr willkommen und gut aufgenommen!

Durch sie lernten wir viele interessante Aspekte der Umgebung hier kennen.

Die Gastfreundschaft mit der wir aufgenommen wurden trug zu einem Urlaub bei welches wir nicht vergessen werden.

Wir werden bestimmt wieder kommen!
