

LOVRANSKE VILE

*One with Nature • One with Life*

**Historic Spa Hotel Villa Astra, in collaboration with CarmenCuisine and Travel®, invites you to live a unique gastronomy experience.**

## **Spring Sensations – April 12-15, 2012**

Come explore the secrets behind the Mediterranean cuisine just in time for the new spring season. On the coast of the Opatija Riviera during the months of March and April, wild asparagus picking is a very popular activity. Chefs and cooks in restaurants and homes create delicious omelets and creamy potages, salty štrudels and stuffed gnocchi with this seasonal delicacy.

We invite you to join us in a culinary adventure that will let you delight in the Mediterranean flavours of spring. During your stay, you will pick your own wild asparagus and participate in culinary classes given by Croatia's top cooking instructors.

Other scrumptious discoveries await you during this early spring program. A complete itinerary of the activities is available at [www.CarmenCuisineandTravel.com](http://www.CarmenCuisineandTravel.com)
